Impact Aluminum Windows & Doors

Hurricane Guard

Our highest rated impact products for Florida's extreme climate.

INDOOR/OUTDOOR LIVING
Blur the lines between the indoors and outdoors with expansive designs built to stand up to Florida Hurricanes and the most stringent coastal requirements.

Why You Can Trust CWS.

CWS has an unwavering dedication to our customers to go beyond expectations with the highest quality window, door and sunroom solutions.

Expert service you can count on.

At CWS, we only partner with the best so you can have complete confidence in your dealer. CWS provides dedicated resources and expertise with valuable industry experience to every partner. If a service issue arises, your dealer is expertly trained and prepared to resolve it.

Exceptional products for every project.

CWS is here to help protect it all, bringing the right products to the right locations to help protect what matters to your customers most. We offer vinyl and aluminum products for virtually every performance and customer need. CWS designs, builds, and tests our high-quality non-impact and impact-resistant windows, doors, and sunroom products to endure harsh Florida conditions.

A local brand you can trust.

Founded in 1986, CWS has put trust into practice in Florida for generations and is proud to call Jacksonville, Ocala and Miami home. We are backed by Pella, a national leader in quality windows and doors with nearly a century of experience. We stand behind our products with strong warranties because they are built to weather any storm.

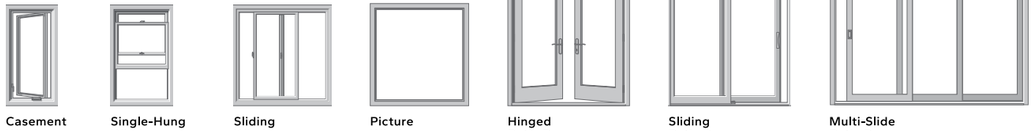
BATHE IN NATURAL LIGHT
An expansive white picture window maximizes natural light to make this coastal bathroom a relaxing retreat.

CERTIFICATIONS
Tested to meet or exceed the strictest requirements of the Florida Building Code, including Miami-Dade requirements.

- ASTM Impact Testing
- HVHZ Impact Testing
- AAMA Non-Impact Testing

Available in these window & patio door styles:

Special shapes also available.



Why Choose CWS® Hurricane Guard?

Dedicated to bringing intentional protection to Florida and coastal impact markets, CWS Hurricane Guard products are our highest rated aluminum impact windows and patio doors. Protect your home from extreme coastal weather and everyday nuisances while enjoying exceptional energy efficiency.

Built and tested for Florida and the HVHZ.

Put to the test to withstand Florida hurricanes and the most stringent building codes and performance requirements, CWS Hurricane Guard impact-resistant windows and patio doors are made to protect your home and everything inside. When the next storm threatens to strike, simply close and lock your windows and doors, no additional storm preparation is required for our products.*

Effortless everyday protection.

CWS Hurricane Guard windows and patio doors protect your home from everyday threats and nuisances while offering exceptional energy performance. Our windows and doors with laminated glass reduce the transmission of unwanted outside noises, block nearly 100% of UV rays and deter potential intruders with a strong polymer interlayer.

Quick, simple and accurate installation.

Installation is key to performance. That's why CWS Hurricane Guard products feature pre-drilled fastener locations to make installation easier and more accurate.

* No additional preparation needed to comply with most local impact requirements.

Built and tested for Florida and the HVHZ

Extreme strength and durability
From our heavy-duty aluminum frames to our long-lasting powder-coat finish, each material we choose for our products can withstand the toughest of environments.

Easy and accurate installation
Factory-drilled installation locations based on testing and requirements to create an easy and accurate installation experience.

Made to work hard, so you can rest easy.
CWS Hurricane Guard impact resistant windows and patio doors are built to stand up to Florida Hurricanes and the most stringent coastal requirements. Simply close and lock your windows and patio doors. No plywood, storm shutters or additional preparation needed.*

Comfort day in and day out
Everyday comfort thanks to options like insulated dual-pane glass and high performance Low-E coatings — keeping your home more comfortable and your electricity bills lower year-round.

Impact laminated glass helps prevent damage
Laminated glass has a strong polymer interlayer to help reinforce the window and hold the glass together if shattered. This helps prevent damage and injury that can be caused by wind, water and debris entering your home. Impact laminated glass also:

- Reduces more outside noise transmission
- Blocks nearly 100% of UV rays
- Keeps your home more comfortable
- Helps prevent forced entry

Backed by a dedicated team
CWS Hurricane Guard products are sold, made and designed by a team dedicated to serving you and protecting what matters most. Our high-quality products are serviced by a dealer you can trust.

*No additional preparation needed to comply with most local impact requirements.

Finishes & Colors

Frame Colors

Create a signature look with a solid-color frame.

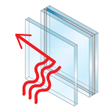
Solid Colors:

White | Black | Bronze

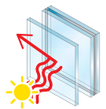
Glass Options

Low-E Glass

Our glass collection offers energy saving choices to keep your home comfortable year-round.



Low-E 270 insulating dual-pane glass with argon



Low-E 366 insulating dual-pane glass with argon

Mono Low-E 366

Additional Glass Options

Additional glass options provide added benefits, such as more strength, improved energy efficiency or additional design options.

Gray-Tinted

Bronze-Tinted

Green-Tinted

Obscure

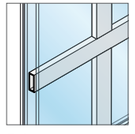
Tempered

Grilles

Grille Types

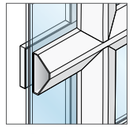
Grilles are color-matched to your window or patio door interior and exterior frame color.

Grilles-Between-the-Glass:



5/8" Flat

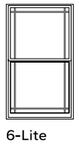
Double Applied Grille:



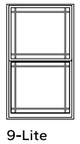
1-1/8" Raised Pyramid Exterior Applied Grille with 1-1/8" Flat Grille

Grille Patterns

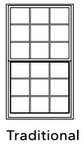
Choose from one of our standard grille patterns or create a unique look with custom patterns.[1]



6-Lite Prairie



9-Lite Prairie



Traditional

Custom

Window Hardware

Casement

Low-profile handle creates a clean look inside your home. Stainless steel hinges and a zinc fold-away crank withstand harsh coastal spray.

Fold-Away Crank

Color-Matched Finishes:

White | Black | Bronze

Sliding & Single-Hung

A latch lock with spring automatically locks once the window sash is closed. A sweep lock features a latch that sweeps into a keeper to secure the window.

Latch Lock with Spring[4]

Sweep Lock

Finishes:

White | Black | Bronze

Patio Door Hardware

Stainless steel hardware withstands harsh coastal salt spray.

Finishes:

White | Black

Screens[2]

Conventional Fiberglass

The standard conventional fiberglass screen allows light and fresh air into a home. The flat screen is both durable and functional.

[1] Grille patterns offered may vary per product. See specific product information for availability.
[2] Hinged patio door handle sold separately. See CWS sales representative for details.
[3] Warning: Screens will not stop children or pets from falling out of window or door. Keep children or pets away from open window or door.
[4] Latch lock with spring not available in Bronze.

REST EASY WITH CWS

These strong single-hung and picture windows deliver comfort and security day in and day out.
